

PI advising

strategic support, truly tailored to your needs as a PI | it can be lonely at the top, but it doesn't have to be

www.vanwaesconsulting.com

this is for you if you can yes to *any* of these

- you're feeling burnt out
- you love the science but think you might hate the managing people part
- you're managing a crisis, a big strategic shift, or some other inflection point
- you'd like a stronger, even more productive relationship w/ your team
- you need help strategizing around healthy team culture, dealing with an HR situation, increasing team engagement, etc.
- you know there are certain things that need attention from you in your leadership role but you just can't find the time
- you're a top-notch scientist but want some help developing or honing your leadership & management skills

we'll do everything from ghost write that tough email that you need to send to your team, to develop strategies for dealing with tricky team members, to create game-changing meeting agendas. it's up to you.

outcomes

1. a weight lifted off your shoulders
2. productive, specific, real-world strategies & action plans centered on your specific challenges
3. a trusted thought partner in your corner

This goes beyond coaching, getting down into the details with you and co-crafting specific strategies and tactics.

\$1200 / month

- advising sessions on your schedule
- no counting hours and contacts
- you use what we create and you take the credit
- you can put this directly into your grant budget
